COTTAR'S SAFARI MASAI MARA – KENYA – EAST AFRICA

The Spirit & Essence of an 'original' African Safari

ALPHONSE ISLAND ALPHONSE ATOLL – SEYCHELLES

A Remote Unspoilt Tropical Paradise

Extending an era of luxury and quality, the award-winning Cottar's 1920s Safari Camp, owned by the oldest established safari family in Africa, provides stunning wildlife and wilderness experiences to discerning, experiential travellers.

Located in the famous 'seventh' natural wonder of the world, the Maasai Mara in Kenya, Cottar's is set on a 6,000 acre private conservancy, just one kilometre from the Maasai Mara game reserve. Sensational day and night game drives and game walks in the reserve and conservancy, as well as cultural interactions with the Maasai community can be enjoyed.

Ten authentic canvas tents (one unique honeymoon tent, five double tents and four family suites), all with en suite bathrooms, and Cottar's private homestead have been adorned in all the luxuries one could desire.

The camp has two main mess tent areas for fine dining, drinking, reading and relaxing and a stunning pool and spa area where guests can relax after a game drive. Guests can also enjoy a safari bath or safari shower, set up in the savannah should they wish for a genuinely unique way of bathing!

Careful planning in the camp layout ensures all tents are private and quiet whether for honeymooners or families with young children.

Escape to the exquisite simplicity of a tropical island paradise; experience the raw beauty of an untouched natural sanctuary, and one of the prime protected ecosystems in the far reaches of the Indian Ocean, leaving behind the impositions of everyday life. The Alphonse group of atolls is considered one of the most pristine, untouched edens of the world, making it a nature lover's paradise. The magnificent island threesome comprising of Alphonse, St Francois and Bijoutier lies in the very heart of the Indian Ocean as part of the Seychelles outer islands. Seven degrees South of the Equator and 400 kilometers South-West of Mahé, Alphonse Island is blessed with one of the world's healthiest climates, and miles of unblemished shorelines, lagoons and sea flats.

Alphonse Island features a single exclusive lodge comprising of Beach Bungalows and Beach Suites built alongside the waters edge, each with scenic ocean views. The central dining and bar area allows guests to socialize alongside the sparkling pool and shoreline, with cuisine offering the very best of traditional Creole creations inspired by the sensuous island atmosphere. Fresh produce farmed on the island and freshly caught fish are always on the menu, but diversity is key, including Asian inspired dishes and sensational sashimi, complimented by a comprehensive wine list. Freedom of movement around the island on foot or bicycle permits self-discovery of the wonders of this special place.
